RS AIRA - ADVENTURE YOUR OWN WAY

Day sailing just got more comfortable... and without compromising on performance! Whether you're coastline cruising, lake island hopping or up-the-creek exploring, sit back and sail at your own pace in the European-designed RS Aira 22. The stable and spacious cockpit has room for the whole family and padded cushions make passages even more pleasant. The versatile design means it has fast sailing qualities too.

The long waterline brings day cruising into the 21st century. The lead bulb keel keeps the boat stable and the large, self-draining cockpit keeps things simple on deck. The stability of the RS Aira allows for a larger sail area to play with. Harness the wind with a 150.7ft² main and 86.1ft² jib. Plus, there's a 301.4ft² gennaker for additional planing performance.

Optional extras include a retractable 1.0 or 3.0kW ePropulsion pod drive engine, rotatable cockpit table, and furling gennaker, so you can focus on those important moments. Whatsmore, RS Sailing offers a custom colour service, so you can match the cabin roof, cushions, hull stripe and even the gennaker, to suit your personal style.

The RS Aira 22 is made for adventures. Sail away to your favourite beach for a picnic, chose old and new routes to explore, race against friends, and discover serene spots for sundowners.

RS AIRA

KEY FEATURES

Performance:

- Ergonomic design make for effortless planing and a smooth ride in all conditions
- Modern, fully battened, square-top 150.7ft² mainsail coupled with the 86.1ft² jib provide an efficient, powerful and controlled sailing experience
- Hoist the 301.4ft² gennaker for extra speed and excitement
- Higher boom for improved leeward visibility and easy movement on deck

Practicality:

- Furling jib for easy rig control
- Two Selden single-line reefs built into the boom and two camcleats for easy reefing
- Choice of a 3.3ft fixed keel or a 3.9ft retractable keel, both with 1653lbs cast lead bulb
- Go green with the 1.0 or 3.0kW ePropulsion pod drive retractable electric engine

Comfort:

- Self-draining, spacious cockpit with room for up to 6 adults on cushioned benches
- Optional swivel table for day picnics, evening meals and sun-downers
- A dedicated cabin for storage and deep, dry, cockpit lockers
- Custom colour options for the cabin roof, cushions, hull stripe, and gennaker

ADVENTURE

RELAX

ONE DESIGN, MULTIPLE USES

The RS Aira 22 is a versatile investment, which can be used for a variety of activities.

Sailing Clubs & Rental Operations:

- Durable and easy to maintain, the RS Aira 22 is built for continuous use all year round
- The simple rigging and intuitive controls make it accessible to beginners while still offering performance for seasoned sailors; ideal for weekly club racing

Summer Camps & Learn-To-Sail Programs:

- The wide beam and stability make this an ideal boat for teaching sailing fundamentals
- As students gain confidence, this keelboat offers rewarding performance and space for progressing to more advanced sailing techniques (such as gennaker work)
- Rubber nose and rub rail attachments add extra durability against accidental bumps

Families & Recreational Sailors:

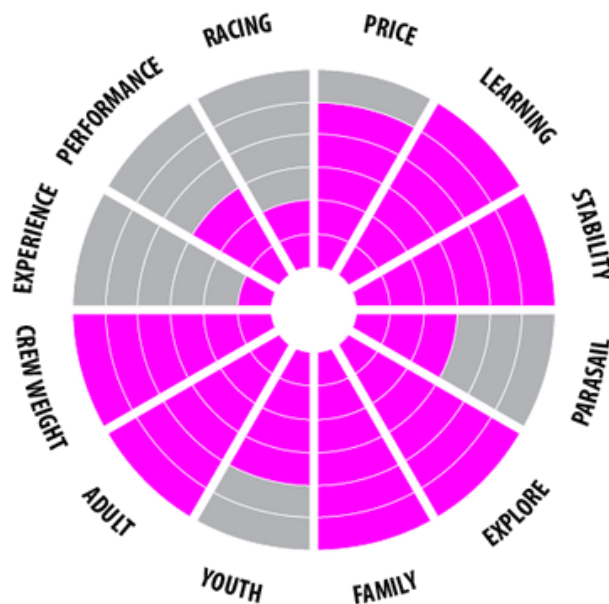

- Comfortable day cruiser with spacious seating for 6 and a high boom for extra visibility
- Adventure awaits! The Aira is perfect for coastline exploring and lake island hopping
- The 301.4ft² gennaker provides additional performance for extra speed and fun

Shallow Keel	3.3ft	1.0m
Construction	Fiberglass / GRP	
Mast / Boom	Anodized Aluminium	

TESTIMONIALS

"My husband and I use the Aira for beautiful tours. We both have busy jobs and to us sailing means relaxation. After a busy week we look forward to a sailing trip at the weekend. After half an hour on the water you feel the tension slipping off you, wonderful."

Lies Vermeulen, Aira Owner

"The 22-foot Aira is a daysailer of new generation. It is extremely versatile. It looks good and sails well even with several people."

Michael Krieg, Journalist at Float 5

"As far as I'm concerned, the Aira 22 is a social boat. The boat belongs to my parents, but I go sailing in it with a group of friends. You sit close to each other, but comfortable thanks to the cushions. Hanging out a bit and meanwhile you can sail well in it too. Usually you are folded in a sailboat, but here you can just sit with six of us, with enough space."

Thomas Müller, Aira Sailor

CUSTOMER CARE AND QUALITY

RS Sailing is a brand that's created for sailors, by sailors. The company has 30+ years of experience in designing and manufacturing boats. We ship over 2,500 boats a year worldwide and can deliver under tight timelines.

The 'RS Feeling' isn't just about a boat sale. RS creates communities, vibrant class associations and after-sales quality customer care support networks that make us stand-out from competitors in the industry.

Customers that choose RS benefit from:

- A dedicated sales team, finding the right boats to suit your requirements
- Clear communication and transparency on delivery deadlines
- On-site commissioning by a team member, we rig, tune and set you up to succeed
- RS Aira 22s built using the latest methods and materials
- Full-time Customer Support, led by the dedicated Customer Care & Quality Director
- Tips and tricks on how to maximise performance and minimise maintenance
